WATER ENGAGEMENT FOR LASTING LEADERSHIP

A THREE DAY SHORT COURSE FOR
KANSAS STEM TEACHERS

Coordinator Happenings

Past Events: Monarch Watch Meeting

Monarch Waystation Program
Monarchs need our help! Get involved in monarch conservation by creating a Monarch Waystation.

Ordering Information
Order monarch tags, rearing kits, t-shirts, posters, books and more!

Monarch Biology
Monarch anatomy, life cycle and natural enemies.

Monarch Populations
Populations and population genetics

Rearing Monarchs
Raise monarchs at home or in the classroom!

Milkweed
Photo guide and instructions on growing your own milkweed.

Butterfly Gardening
Tips on starting your own garden and detailed plant - butterfly lists.

Monarch Migration
Learn more about the spectacular migration that millions of monarchs make each year.

Monarch Tagging
Learn how you can participate in our large-scale mark and recapture program.

Conservation
Find out about these issues and how you can help.

In the Classroom
Lots of great information about using monarchs in the classroom.

Research Projects
Ongoing projects that rely on student-scientist partnerships.

Reading Room
Articles and bibliographies relating to monarchs.

About Us
Learn more about Monarch Watch and how to reach us.

Multimedia Gallery
Photos and video.

Dplex-L Email List
Stay up-to-date on monarch news!

Resources and Links
Need more information? Get it here!

Visit the Monarch Watch Kids Zone, a website created by kids for kids.

Download the Monarch Watch mobile app today to participate in Monarch Watch community science projects and submit your monarch tagging, recovery and calendar data! Now available for iOS and Android devices.

Collecting & Donating Milkweed Seeds to Monarch Watch in support of our Bring Back the Monarchs conservation campaign? Visit the "Seed Collecting & Donating" page to find out how to send them to us. Thank you for your interest and support!

Past Events: Wyandotte County Meeting

Lower Kansas
RIVER WRAPS

Pollution Reporting

Anything besides clean water is considered a stormwater pollutant.

Stormwater Quality & Information

Stormwater runoff carries pollutants and harms wildlife. Stormwater management increases water absorption into the ground and nearby water bodies.

Stormwater Quality Programs

Help protect our waterways.

Stormwater User Charge

Learn more about the stormwater user charge and its essential role in protecting infrastructure, the environment, and private property.

Stormwater Regulations, Permits, Development & Certifications

View important regulatory information, understand basin certifications, download reports, and access information for developers.

Only Rain Down the Drain

Blocked storm drains increase the risk of flooding and damage pipes. Do your part to make sure only rain goes in the storm drain!
